# REAL OR WHACK?

Did the Austin & Ally Cast  
Stop Hanging  
out?  
**WHACK!**

Even though *Austin & Ally* has officially wrapped its final season, the cast is still as close as ever! "We all made a pact that we would hang out as much as we can," says Laura. "We'll make it happen because we'll miss each other!" Ross, Laura, Calum, and Raini have become BFFs and they know that nothing can change that! "It was such a good experience," Ross shares. "The *Austin & Ally* fans are more important than they know." Just because the show's over, that doesn't mean "Raura" won't live on! In fact, Ross mentioned the possibility of collaborating on music now that Laura's been signed to Big Machine Records! "We haven't talked about it much yet but I don't see why that wouldn't happen," he says. "We've already worked together musically, so it would make sense!" YES! We'll keep our fingers crossed for that!

## Is Cam Becoming a Rapper? **REAL!**

**Y**ou can officially add "rapper" to Cam's already-impressive resume! Between creating hilarious Vines, racking up millions of views on his YouTube videos, and filming his sophomore movie, *The Outfield*, Cam's somehow found the time to release two singles! "I've wanted to record music for a really long time now," he told us. "It's been a huge part of my life since I was a kid and now I'm so blessed to have the opportunity to share this passion with my fans." Cameron's rap debut, "She Bad," peaked in iTunes' Top 10 on its release day and since then, Cameron's worked with up-and-coming singer-songwriter Daniel Skye on their collab, "All I Want." We're excited to see what else Cameron has in store because we're sure that whatever it is, it's going to be great! Read more about Cam's music career in our exclusive Q&A on page 83!

## Did Ariana's Ex Write a Song About Her? **REAL!**

**A**riana's not the only one who's singing about love and relationships! The singer's former beau and "Almost Is Never Enough" collaborator, Nathan Sykes, turned his post-breakup feelings into music. "As a writer who draws from personal relationships and experiences, I think it's just natural that there's a song to fit that time in my life," says Nathan. "The music's really strong and I poured my heart out. I don't hold grudges whatsoever. I'm one of those people who only takes really positive experiences from relationships and moves forward with them. So, it's a really nice song even though it's quite heartbreaking. It's got a really nice message and it's that you can't be angry at any situation because sometimes, things just don't work out and you've got to roll with it and move on." Even though the two have gone their separate ways, Nathan's still excited about all of Ari's success. "Honestly, I'm so proud of her," he shares. "When I was watching the Grammys, I know that her being nominated and being able to perform was the type of stuff she always dreamed about so it's exciting." Aww!

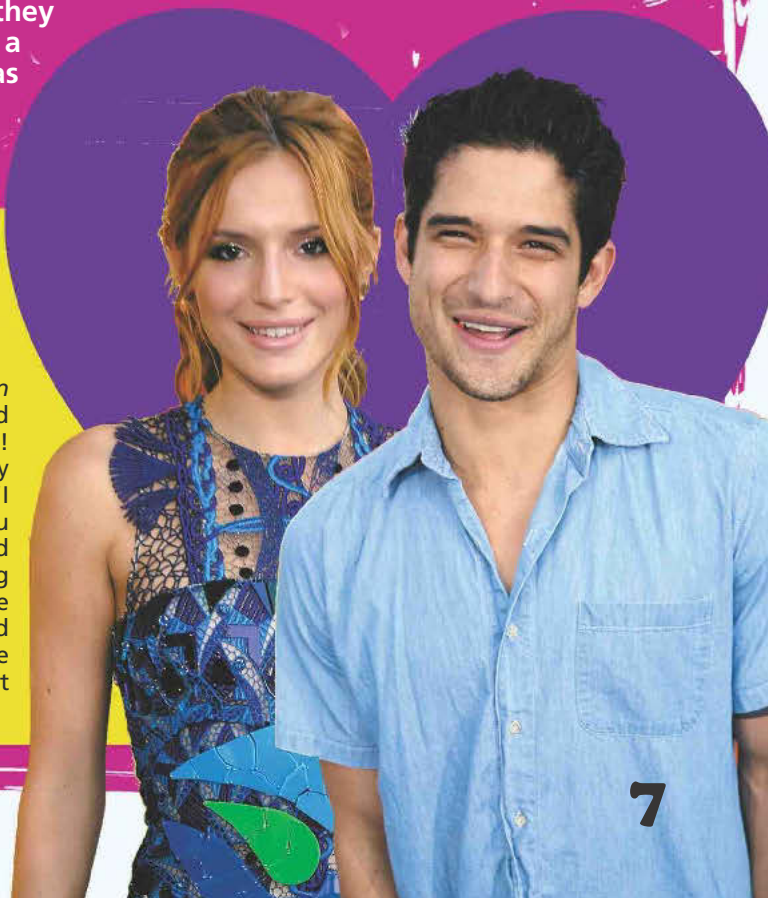

## Does Shawn Forget He's Famous? **REAL!**

Shawn is so super sweet and down-to-earth, that sometimes he even forgets he's famous! He shared one hilarious story with us recently. "I was at the mall and there were these girls and a few guys behind me," he explained. "I could just feel their eyes digging into me! I was like, 'What is going on?' I kind of like, just forget about it sometimes, so I was like, 'Why are these people staring at me? What is going on right now?!' I was getting super creeped out and then they were like, 'Can we get a picture with you?' I was like, 'Oh! THAT'S WHY!'" LOL!

## Are Bella & Tyler Dating? **WHACK!**

**W**hen Bella was spotted arm-in-arm with *Teen Wolf*'s Tyler Posey, rumors quickly circulated that the two were Hollywood's newest couple! However, Bella was quick to shoot down those pesky rumors and clarify that the two are JUST friends! "I don't want to address this again, but sometimes you hold onto someone when there's tons of paps around for your own safety," she tweeted. "I'm not dating everyone that I'm pictured with!" We can totally see how frustrating dealing with dating rumors can be and we're sure that whenever Bella gets a new bf, she'll be the first to let all her fans know! For now, she's just enjoying spending time with her friends!

# Ross

**Q: What was one of the challenges you faced while filming?**

**A:** It was hard to dance in the sand! The sand got really hot after awhile and it would be sticking all over my legs and feet. But I can't complain because I was on the beach in Puerto Rico!

**Q: In TB2, all the characters love to sing everything. What situations do you think are perfect for bursting out into song?**

**A:** I think it's always good to sing to a girl. You can't really go wrong - she'll like it even if you're bad! LOL!

**Q: Did you do anything to prep for the sequel?**

**A:** I didn't really do much preparing. Whenever I'm acting, I just try to get in the mindset of the character and do whatever feels right in my gut. Everyone does it differently but that's just my style!

**Q: What's your favorite thing about playing Brady?**

**A:** I like that he's a very go-with-flow type of guy. He's just super chill and super cool. He basically just loves life and loves taking advantage of the opportunities he's given!

**Q: What's on your summer playlist?**

**A:** I'm always listening to a lot of The Beatles or The Beach Boys! I love that 60s era with the beachy-vibes and retro sounds.

**Q: For future projects, is there anyone you'd love to work with?**

**A:** Director-wise, I would LOVE to work with James Cameron or Quentin Tarantino. I think their work is amazing!

### FUN FACT: JORDAN

JORDAN'S A

# "I do get homesick."

## Maia

**Q: Were there any crazy moments while filming?**

**A:** There was a typhoon while we were shooting a musical number! It was crazy. It was like 4 am and we were outside on the beach in full hair and makeup and it started pouring! The whole set was destroyed but twenty minutes later, we went back out and kept filming!

**Q: In between filming "TB2" and "The Fosters," do you ever get homesick?**

**A:** It has only just crept up on me how homesick I really am because I am so busy that I don't really have time to think about it. But I do get homesick. I go home for the holidays, which is amazing because I get to see my family and my friends from high school. It's nice to connect my two worlds together.

**Q: Who are the actors you look up to the most?**

**A:** I absolutely love Emma Watson and Shailene Woodley. They're both incredible and so talented. It's inspiring to watch them!

**Q: You always look amazing on red carpets, what fashion tips would you give?**

**A:** My top three tips would be to always dress for the weather, wear comfortable clothing that won't be bothering you all day long, and don't be afraid to try new textures and/or patterns!

**Q: Can you remember who your first celeb crush?**

**A:** It was Shia Labeouf! I remember that I was like 10 when he was in *Holes* and I adored him!

**Q: What's your favorite social media platform? Do you have a fave iPhone app?**

**A:** My favorite social media platform is definitely Instagram! As for my favorite iPhone app, Shazam is such a good one!

### FUN FACT: JESSICA

NOT ONLY DID JESSICA PLAY BIKERZ CHICK STRUTS, SHE WAS ALSO THE ASSISTANT CHOREOGRAPHER FOR THE MOVIE!

## Teen Beach 2

# GRACE

**Q: What was the vibe like on set?**

**A:** It was awesome. It felt like we were all just hanging out with our friends. We were at work, but we were just so distracted by having fun that it didn't even feel like work!

**Q: The "TB2" choreography looks way difficult! Was it hard to pick up?**

**A:** It definitely took a while to pick up. I'm really glad that there's no footage of me learning it because I look so silly and ridiculous. I wouldn't let anyone watch me rehearse! LOL!

**Q: What's one thing about the cast that we wouldn't know?**

**A:** Before we started filming *Teen Beach*, we all got together and swam out past the ocean and we all told each other one secret. We all confided in each other just to make sure that we all knew that we were there for each other. That's why we have such great chemistry with each other on-screen!

**Q: Do you run into a lot of fans on the street?**

**A:** Sometimes! The good thing about the kind of projects I've done is that every person I've met under those circumstances has been so nice and friendly. I like getting to meet people who like the projects I've done because I like them, too!

**Q: It's summer! What's your dream summer vacay?**

**A:** I just love to go to new places. If I can go somewhere I've never been, I'm a happy camper...or vacationer; it doesn't have to be camping!

**Q: Do you have any secret talents you can let us in on?**

**A:** A lot of people would be surprised to know that I could actually knit a hat without ever looking down! LOL.

## GARRETT

**Q: What was your favorite thing about playing Tanner?**

**A:** What I love about Tanner is that he's super easy going. He might not seem like the brightest guy around, but he's just one of those people that knows what's going on and just doesn't know how to really express it in words. I really loved playing this character; I thought it was so fun with all the dancing and singing!

**Q: What was it like to film in Puerto Rico?**

**A:** It was just the best. It was like taking a bunch of kids, throwing us into summer camp, and then letting us do what we love for two-and-a-half months. It was just an amazing experience!

**Q: Who would you say was the funniest co-star to be around?**

**A:** We all had the best time together so I don't think I'd be able to pick just one person! One moment I might have been joking in a trailer, then I'd be hanging out with Ross and then I might have gone off with someone else and we'd just have a lot of fun. Everyone's always a blast to be around.

**Q: You and Ross have become super close! What's your friendship like?**

**A:** Ross is so amazing with his singing and acting. He's such a great friend and I couldn't imagine him thinking anything different about me. Every time we run into each other, we always catch up and ask each other about our current projects, how our families are doing, etc. We want to support each other and help each other pursue our dreams even further!

**Q: After all this singing, have you thought of a music career?**

**A:** I actually have some demos, but no one besides my team has heard them. If I ever crossed that bridge, I would definitely want to explore the type of music I feel the most connected to. That will definitely come in time!

## (RAZY, AWKWARD & UNFORGETTABLE MOMENTS!)

### BEA'S SMASHED CELL-FIE!

"ONE TIME I WAS WALKING WITH A FRIEND AND WE GOT RECOGNIZED BY THIS LITTLE BOY AND HE WAS REALLY NERVOUS TO ASK ME FOR A PICTURE. MY FRIEND OFFERED TO TAKE IT, SO SHE TOOK HIS PHONE AND TOOK THE PICTURE AND THEN AS SHE WAS HANDING IT BACK TO HIM, SHE DROPPED IT. IT WAS COMPLETELY SHATTERED AND HE JUST TOOK IT BACK, SAID THANKS AND THEN RAN AWAY! I FELT SO BAD!"

### Pool Party 🤔🤔🤔

My BFF always throws an end-of-the-school-year pool party and I was so excited about this one because my crush was coming! I was about to change into my swimsuit when my friend's little brother pushed me in the pool! My clothes got soaked and everyone outside was laughing – including my crush! I was so mad! -Leslie, Delaware

### Mixed Messages 🤔🤔

On the last day of school, my whole grade swapped yearbooks so we could all write messages to each other. I got up the courage to write my phone number in my crush's yearbook, only to realize it was a different guy with the same first name! The worst part is that the other guy who I didn't have a crush on at all started texting me! AWKWARD! -Marissa, Kentucky

### 5H Fanatic 🤔

When my BFFs and I went to Applebee's for lunch, they were playing Fifth Harmony on the radio! I was singing along to "Worth It," but when they suddenly cut it off, I was still singing pretty loudly. The whole section of the restaurant heard me and giggled. Oops! I guess I get a little bit carried away when it comes to 5H's songs! -Tamara, Virginia

## Pajama Day 🤔🤔🤔

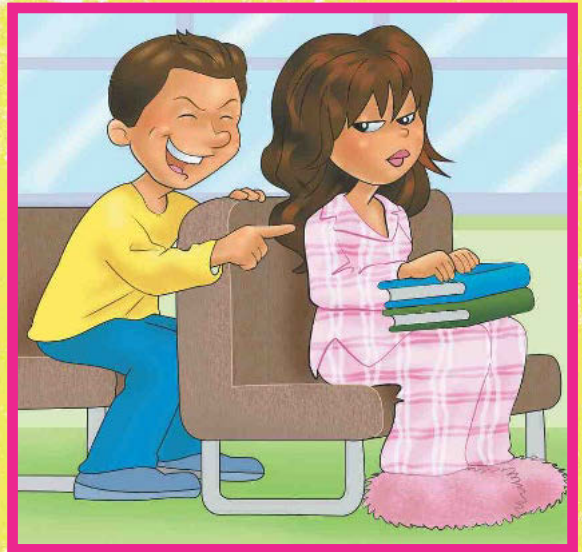

During finals week, I was staying up really late studying. On the last day of tests, I was so tired that I slept right through my alarm clock! When I woke up, I only had five minutes to spare before getting on the school bus, so I grabbed my book bag and ran out the door! It wasn't until my friends on the bus pointed at my clothes that I realized I was STILL in my pajamas! I tried to play it off like I did it on purpose, but I spent the day feeling so embarrassed!

-Jill, Ohio

## Singing Stop 🤔🤔

My mom was driving my BFF and me to the mall when we decided to roll down the windows and blast R5's "Let's Not Be Alone Tonight!" We were sitting in the backseat singing at the top of our lungs and dancing to the beat! When we stopped at a red light, we looked over at the car next to us and they were laughing and clapping at our performance! LOL – it was so embarrassing but totally worth it because of R5!

-Natasha, California

## Ice Cream Disaster 🤔🤔

To celebrate the start of summer, my friends and I hit up the ice cream shop by my house. We were sitting outside the store when I saw my crush walk by! He asked me which flavor I had and when I went to show him, my friends started laughing and I didn't know why. All of a sudden, he told me I had ice cream on my nose!

-Christina, Texas

## AWKWARD SCALE

**OOPS:** Awkward for a few minutes, but you'll get over it!

**YIKES:** We feel your pain!

**OMG WE CAN'T:** Hopefully your friends will forget about this one next week!

**HALL OF SHAME:** You'll probably remember this OMG moment when you have kids of your own, LOL! But don't worry, you'll be able to laugh about it!

## TEEN BEACH 2'S MOLLEE GRAY SPILLS A SWEATY ON-SET SECRET!

"WHEN WE WERE ON THE BEACH AND DANCING, IT GOT SUPER SWEATY. GARRETT CLAYTON WAS THE SWEATIEST PERSON AND HE HAD TO BE BLOW DRIED DOWN DURING TAKES. WE ALL KINDA SWEATED BUT HE WAS CONSTANTLY RINGING HIS CLOTHES OUT AND THEY NEEDED DOUBLES OF EVERYTHING FOR HIM!"

# My DWTS Diary

**A**s some of you may know, I really, really wanted to be on *DWTS*. And to be honest, I was super bummed when Riker got the call to be on the show. Buuuuut as his sister, I was beyond excited for him and I knew he would be amazing! I've been having the time of my life going every week and supporting him. Haven't missed a single show!!! I'm pretty much obsessed with every routine he and Allison have performed. It's soooooo hard to choose my favorite but I'd have to say his paso (Jack Sparrow) and his super rad, Aztec salsa number. What's was your favorite!!??

**On week nine, the producers wanted me to do an interview about Riker, so I hitched a ride with him and got there**

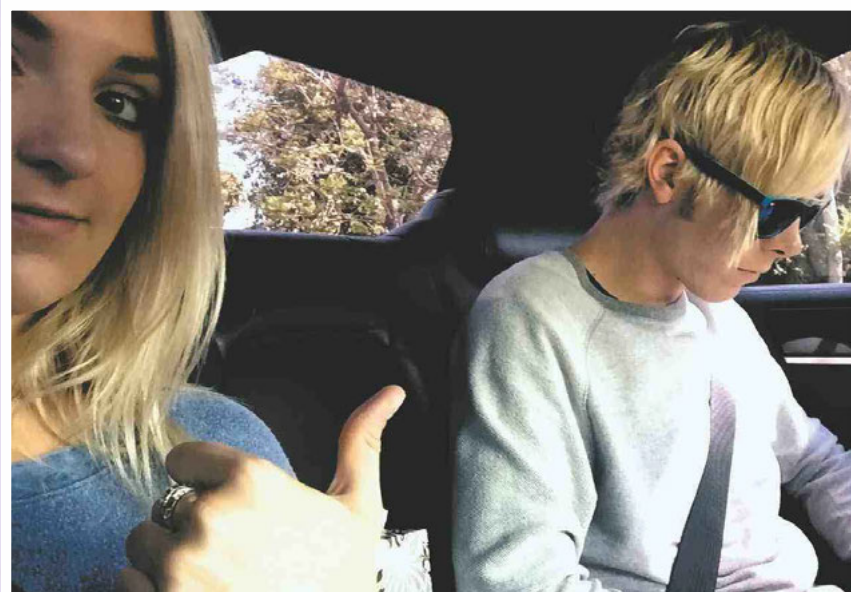

**My dress!**

**This is the dress I picked out to wear for my interview! I was so nervous!**

**Ellington and I on DWTS All Access.**

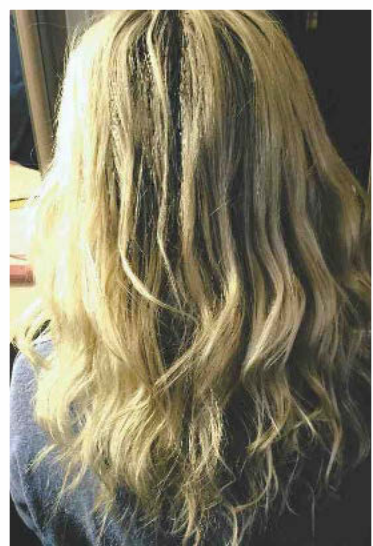

### Caught a ride with Riker!

super early. We had some yummy breakfast sandwiches and I curled my hair. Then, when Riker went to dress rehearsal, I took a niiiiaa nap - hahaha.

After my interview I met my mom and Mamoo (Grandma) at The Grove, which is a really cool outdoor mall in Los Angeles. My mom and Mamoo both love The Cheesecake Factory, so we've pretty much gone there every Monday for the past nine weeks. This week, Riker and Allison did a contemporary number and received their first perfect score!!!! I was super pumped about that!!! I feel like I've been waiting for four "10" scores foreverrrrr! They pulled me backstage after the dance to answer a question and I fan-girlred for a sec after meeting *DWTS*' host, Erin Andrews. When I super nervously answered her question LIVE on TV, I'm pretty sure I was shaking. LOL!

I'm so proud of Riker making it so far in this journey. He did absolutely amazing in every dance! Love u bro!

**Curling my hair in his trailer.**

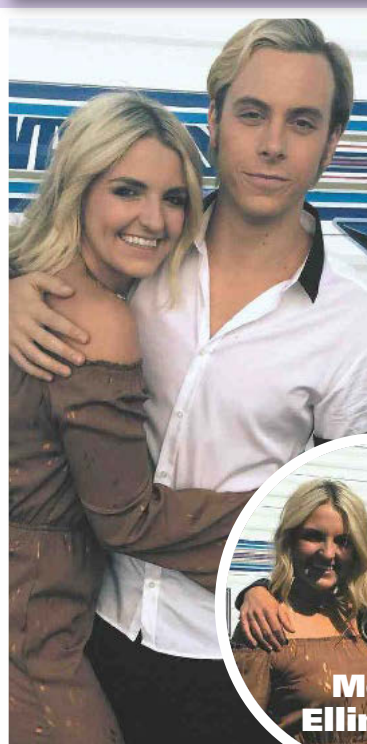

**Finished product**

**Riker got his first perfect score! YAY!**

# ASK BEA!

She answers your toughest questions!

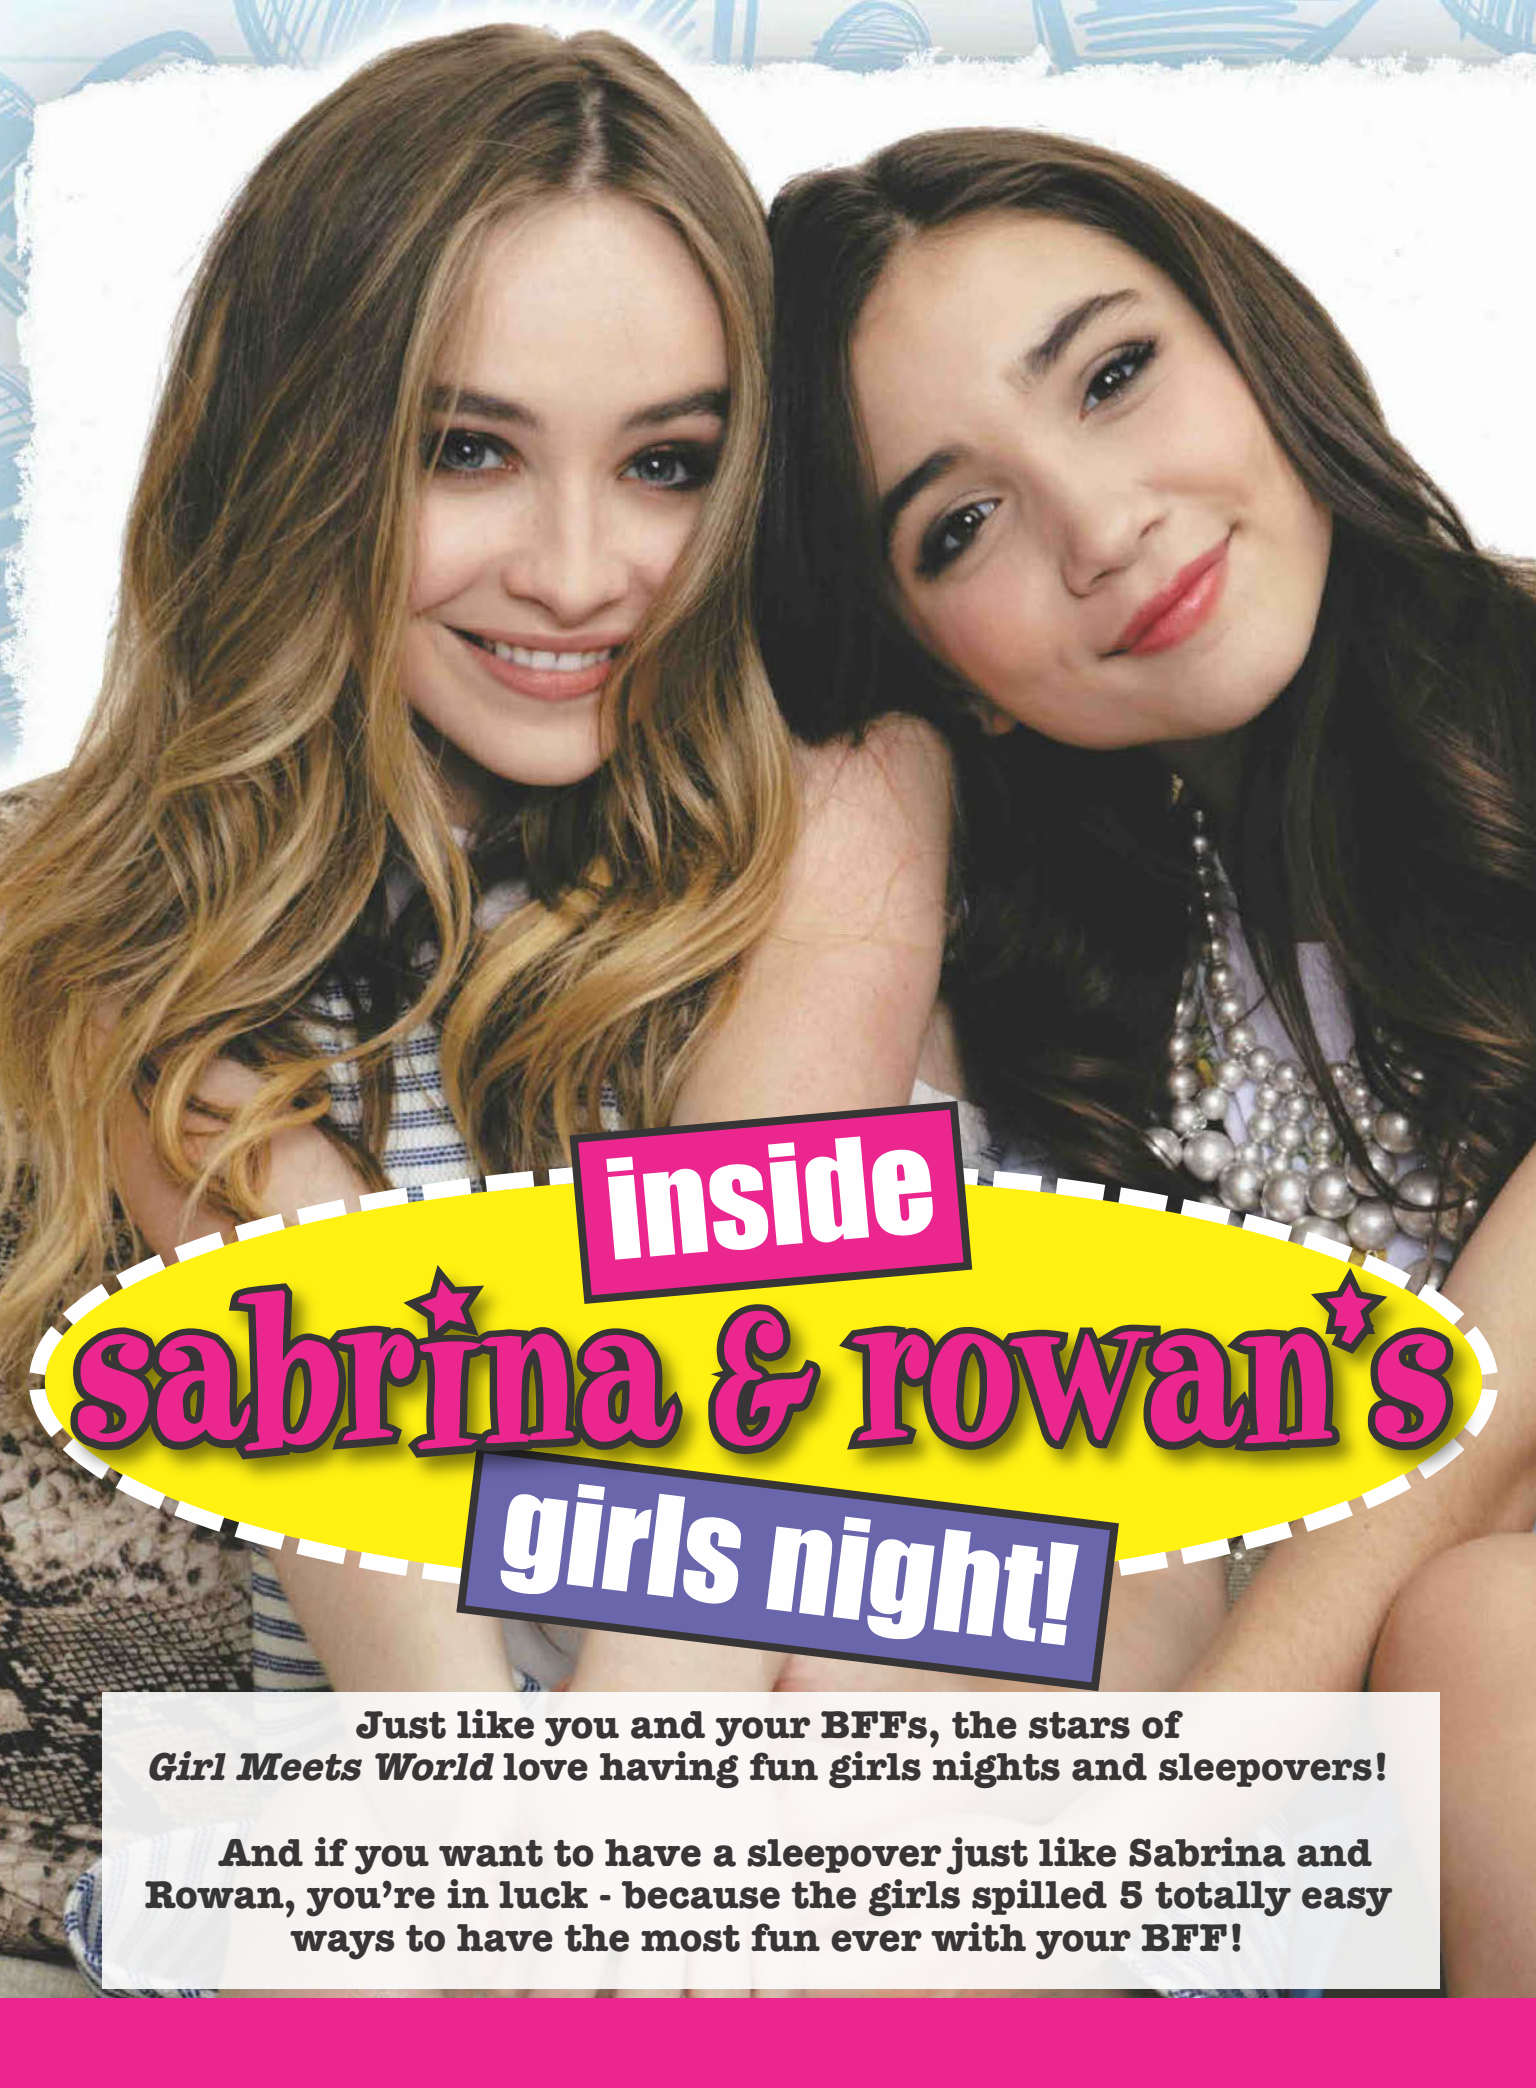

**Dear Bea,  
I'm about to start  
middle school and  
I'm really nervous.  
What if I get lost in  
the halls or get in  
bad classes? What  
should I do?  
Sincerely,  
Simone**

simone,  
i was worried about all the same things when i was about to go into middle school and a lot of my friends were, too, so it's perfectly normal. you might get a little confused in the hallways for the first week, but the teachers will all be happy to help you figure out how to get to your next class if you ask them, i promise. and if you get any bad classes, you'll definitely have a couple of your friends with you, which will make it better! you'll adjust and feel comfortable sooner than you think.  
xo bea

**Dear Bea,  
I have this really  
big crush on this  
boy, but all of the  
other girls in my  
class like him, too!  
How do I get him to  
notice me instead  
of them?  
-Bella**

bella,  
all you can do is be yourself. if he's into you because of who you are, you won't have to worry about any of the other girls in your class, and if he's not into you, don't worry!!! there are plenty of other boys who will love every single part of you exactly the way you are. the secret is to wait for someone to like you without you trying to impress them, instead of you having to try to catch their attention. if it doesn't work out with him, you'll find someone so much cooler.

# sabrina & rowan's

**girls night!**

**Just like you and your BFFs, the stars of *Girl Meets World* love having fun girls nights and sleepovers!**

**And if you want to have a sleepover just like Sabrina and Rowan, you're in luck - because the girls spilled 5 totally easy ways to have the most fun ever with your BFF!**

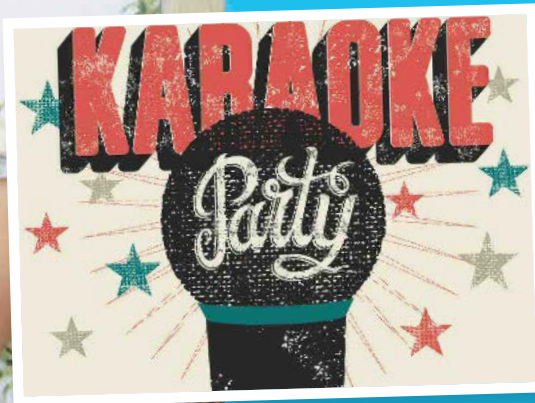

### 1. Choose cute outfits inspired by the show!

Rowan and Sabrina are super stylish both on and off set, but their styles differ. "Riley is more loose and hippy-ish whereas I like more collars," Rowan says of her character's style. "I'm more preppy and clean whereas Riley wants floral patterns and vests!" So whether you and your BFF are tomboys or girly girls, choose the cutest outfits that represent your own style the way Rowan and Sabrina would!

### 2. Make snacks!

No Girls Night is complete without the snacks! Make sure you and your BFF are on the same page and then let the treats begin! Ask your parents if you can bake brownies or cookies! Another great option Rowbrina loves is New York style Pizza!

### 3. Karaoke!

"We both love to sing off of the set," Sabrina tells us. What could be more fun than grabbing your BFF, a couple of makeshift microphones (we prefer hairbrushes!), and singing your favorite songs? Grab Sabrina's new album, or just play the *GMW* theme song on repeat to get your party started. You could even make a video of yourselves performing the theme song and tweet it to them!

### 4. Watch a Movie!

These girls are always busy, so when they do get some downtime, they like to keep it chill with a good movie. "We see a lot of movies together. Whether it's a romantic comedy, a drama, comedy, really anything except for horror movie, we'll watch it," Rowan spills. "Sabrina can tolerate the horror movies, but I don't think she'd pick it as her first choice!" So there you have it – avoid the horror section, but everything else is fair game!

### 5. Have a Pep Talk

Whether we're having trouble with a certain class at school or not sure what to do about a crush, life isn't always perfect.

Just like you see on *Girl Meets World*, everyone struggles growing up, so it's really nice to sit down with your BFF and share what you think is so cool about one another! "I think Sabrina is sarcastic, determined, amazing, brave, beautiful, and fun," says Rowan. Awwwww!!! What AMAZING and inspiring BFFs they are!

# Ariana's Scream Queen Set Secrets

After wrapping up the first leg of the Honeymoon Tour, Ari headed down to New Orleans to join the cast of FOX's upcoming series, *Scream Queens*! Ryan Murphy, the man behind *Glee* and *American Horror Story*, pitched her the show idea and the horror-obsessed singer jumped at the chance to be part of it! "It's a very nice balance between terrifying, scary, goth, horror, girly, hilarious, and fashion," she says. "It's the greatest combination!"

Ari's a huge fan of the show's creator and it looks like he's just as big a fan of hers! "She's great and funny," says Ryan. "She loves the genre of it. We had to carve out amounts of time for her, but I love her." Although Ari's time on set only lasted a week, she says it was her best experience yet. "It was a short but sweet time," she explains. "Literally every person working on the show is a dream; I had the greatest time playing a new, rad character and had the best week!" Ari got to work alongside some crazy talented co-stars like Lea Michele, Emma Roberts, Keke Palmer, and Abigail Breslin! It only took a matter of days for them to become BFFs. "I'm so grateful to have met so many wonderful, funny, chill people," says Ari. "I have to shout-out Lou Eyrich, the costume designer, because she's the sweetest, coolest woman I've ever met. I'm so smitten with her and her pretty soul."

*Scream Queens* is headed to FOX this Fall so make sure you keep an eye out for it!

Ari and Emma Roberts hang out on set!

Ari and Lea Michele are TV stars now, but they both got their starts on Broadway!

"Literally every person working on 'Scream Queens' is a dream," says Ari.

"Wardrobe is beyond," writes Ari on this Instagram post.

# Selena Gomez Is All About Body-Positivity!

It's an unfortunate reality that with fame, comes scrutiny. Selena Gomez, who we happen to think is absolutely stunning, fell victim to some recent body-shaming and that's totally NOT cool! After the "I Want You To Know" singer was spotted in a bikini at the beach by some paparazzi, a lot of comments were made about her weight. Being the awesome role model that she is, Sel laughed it off and shared another bikini shot on Instagram that read, "I love being happy with me, ya'll. #theresmoretolove."

**"I DON'T NEED  
TO DO ANYTHING OTHER THAN  
LOVE MYSELF, TAKE CARE OF MY WORK,  
FANS, FAMILY AND FRIENDS!"**

That's right! As long as you're feeling happy and healthy, there's no need to change a thing! Of course, as Sel's BFF Taylor Swift would say, haters gonna hate. When Sel got another Instagram comment shaming her bod, she tackled the problem head-on and replied to the bully. "I could care less about what 'they' or you say I should look like," she wrote. "I don't need to do anything other than love myself, take care of my work, fans, family and friends...It's not your place to tell anyone what they should or should not do." With recent events, Selena is becoming a prominent voice about anti-body shaming and by embracing what she's got and loving herself, Sel's sending the positive message to be confident in the skin you're in and know your worth! And that's a message we can always get behind!

## ABIGAIL BRESLIN DEFENDS SELENA

Amidst all the body-shaming drama, *Scream Queens* star Abigail Breslin stuck up for her friend and encouraged everyone to quit the judgment. "Everyone is always saying how we shouldn't judge each other, so why are you commenting on a gorgeous, talented and smart young girl's body," she wrote. "How are young girls supposed to grow up normally and not feel bad about themselves when this is national headline news?" To Selena, Abigail wrote, "Keep rocking those bikinis." We couldn't agree more!

# SHAWN REFLECTS ON FAME!

"When I first started doing music, my goal wasn't to be famous," he says. "My goal was just to make music. I really wasn't expecting any of this, so it's been a crazy and very cool experience." His carefree days have turned into busy ones comprised of studio time, photo shoots, and interviews, but there's one thing he says makes it all worth it. "My parents are always telling me how proud they are of me," he smiles. "That's one of the best things to ever hear."

"I'm still a normal guy"

And Shawn's fans know that the singer-songwriter absolutely adores them and that he couldn't be more grateful for all of their love and support. "It's awesome that my fans have grown up with me," he says. "With everything that's happened, they've seen it happen right from the beginning. I think that's why we connect so well when I'm on stage! They always show me love and I feel the same way that they do. It's a feeling you just can't find anywhere else."

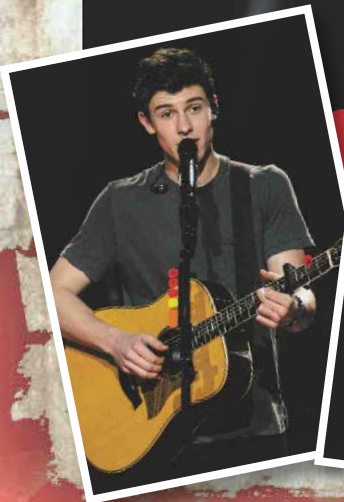

Shawn says that it's still hard to wrap his head around his success, but the ever so humble 16-year-old refuses to take all the credit. "It's not just me working my butt off," he explains. "It's my whole team and all my friends, fans, and family — they all support me. It's been non-stop work for the longest time so when it starts to come together like this, it's a really great feeling. When I signed my first record deal, my head was exploding in every direction. That was such a huge milestone and I was a bit scared for it, but it's been really fun. The label's incredible, so it's great."

When it comes to remaining grounded in the industry, Shawn revealed that he's gotten a lot of wise words from fellow celebs. "Ed Sheeran's been very helpful," he shares. "He told me to have a handle on both worlds: the fame life and my home life and that's really helped." Ed also serves as musical inspiration for Shawn, whose heartfelt lyrics have drawn comparisons to the two artists. "A lot of my music is just pulled from stories I've heard or the way I think something would happen," says Shawn. "I think when you're writing music, to have a good song, there has to be a lot of emotion in it. I find it very easy and natural to write about love and heartbreak. I'm always writing."

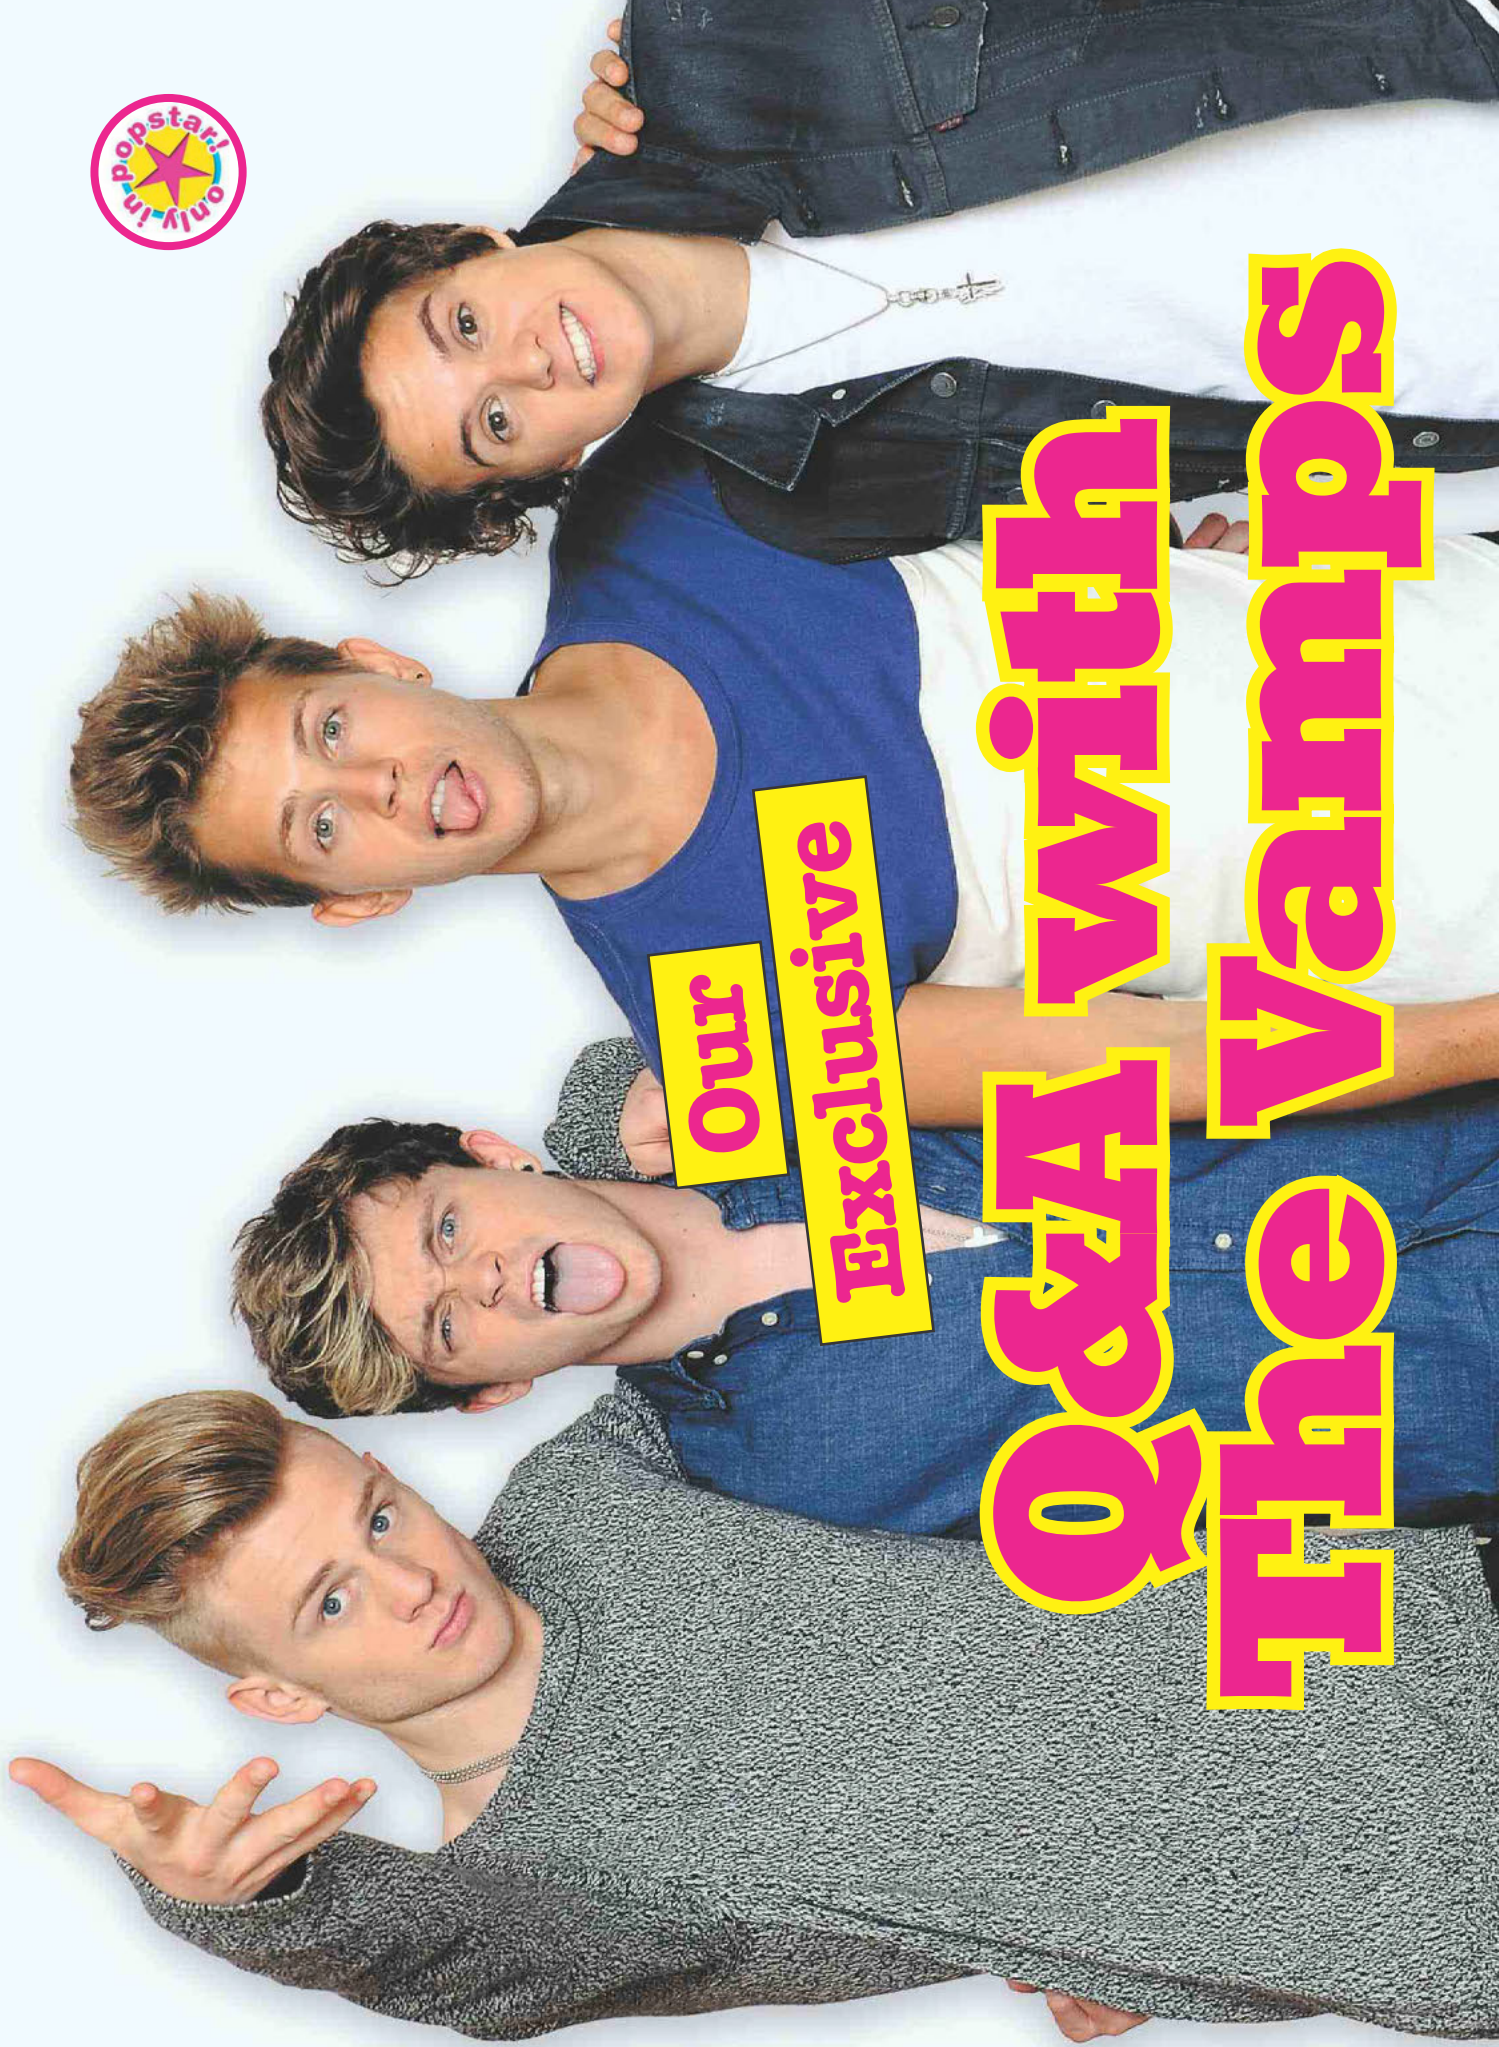

## ASK SHAWN:

**When was the last time you hand-wrote something?**

I write all my lyrics down with my pen because it just feels more genuine and cooler. It's really sloppy handwriting though!

Photo Shoot Fresh:

# Jack & Jack!

Go  
Behind The  
Scenes  
of Their  
First-Ever  
Magazine  
Shoot

We invited the boys to our studio space in Hollywood, California, where we've shot some of your favorite artists like R5 and Shawn Mendes. Of course the photos turned out amazing, but it was so cool to hang with the guys and see what they're really like. Here are the top five highlights of our day with Jack & Jack!

**1. Jack Johnson's mom showed up!**

It was obvious she was Jack's mom when she walked in - the resemblance is scary cute! She was super nice & helpful, and you can tell how much she loves the boys: She left during the shoot to go help out with some maintenance on their apartment! Now they have working showers! "She's the best," says Jack J.

**3. They're hilarious!**

We couldn't keep a straight face when we were talking to them! They're always playing off of each other and making everyone around them laugh. "We definitely love to laugh and have a good time, we were pranksters as kids in school because where we grew up, you kind of had to be in order to have a good time," says Jack G.

**5. They work hard!**

The guys don't take their fans or success for granted. They'd rather be recording or performing instead of standing on a red carpet. "We just want to make the best music possible for our fans," says Jack J. "We don't care about anything else!"

**2. They know a TON about pop culture.**

You can check out the full video on our YouTube channel, but when we gave them the Popstar! Pop Quiz, they knew every answer. Jack J even abbreviated to "TFIOS" in seconds. Whether it was about 1D or Ansel Elgort, these guys know their stuff when it comes to pop culture!

**4. They love the ladies.**

J&J are so super friendly that we couldn't stop chatting in between shots, so I got a great feel for what they're like off screen. Gilinsky was complimenting Johnson on his impressive charm with the ladies, and he even may have mentioned that he's dating someone himself....

# Descendants

# Coming Soon!

In one of the most anticipated DCOMS of the summer, the children of both Disney heroes and villains are coming together in *Descendants*, a Kenny Ortega-directed live-action film! In the present-day kingdom of Auradon, Ben, the teenage son of King "Beast" and Queen Belle, is set to take over the throne. His first act as King is to offer the mischievous teenage descendants of defeated villains a chance for redemption! The villain's descendants, who had been imprisoned on a forbidden island with other villains, are then granted permission to attend school with the heroes' kids! Of course, things don't go as smoothly as expected!

Starring Dove Cameron as Mal, Booboo Stewart as Jay, Cameron Boyce as Carlos, and Sofia Carson as Evie, these Disney descendants will make you wish you were a part of all the magic!

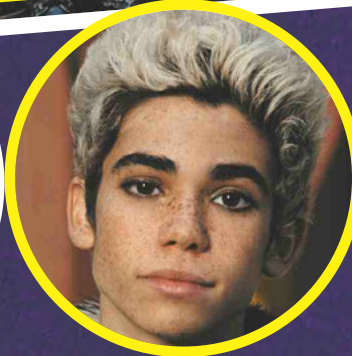

## Meet the Characters!

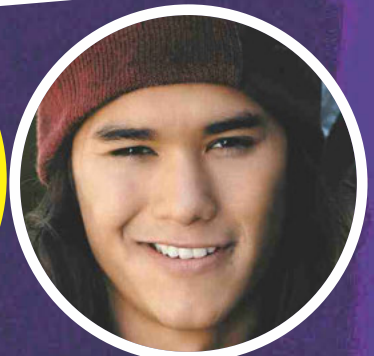

**Mal - Daughter of Maleficent**  
She's a natural born leader who enjoys drawing and casting spells!

**Evie - Daughter of the Evil Queen**  
A true fashionista, Evie loves fashion & communicating with her magic mirror!

**Carlos - Son of Cruella De Vil**  
Carlos is smart and loyal. Just like his mom, he's totally afraid of dogs!

**Jay - Son of Jafar**  
Jay's very loyal to his father. He has a talent for stealing and scheming and is a natural athlete!

# GET HER LOOK!

Things may get rough out on the football field, but Brec Bassinger's skin is always a perfect 10! Here, she spills her product faves & top tips for keeping your skin healthy!

## My best tips for having clear skin:

Eating healthy and drinking lots of water. Also, washing my face directly after I've sweat really helps keep my complexion clear and healthy!

## Here's my skincare routine:

In the morning, I wash my face using Neutrogena oil-free acne wash and then follow that up with moisturizer before putting any makeup on. At night, I use a Clarisonic device with the same Neutrogena oil-free acne wash, then put a zit cream on any problem areas and finish it off with moisturizer. I have extremely dry skin, so I'm always putting tons of moisturizer on.

## My favorite makeup products are:

L'Oreal Voluminous Mascara and the Maybelline Dream Bouncy Blush.

## When you're just starting to wear makeup:

Maybe try and take a day to practice - like all things it just takes practice. YouTube videos are what taught me how to apply makeup correctly! I love eye makeup and I always like trying different colors and new versions of the smoky eye or cat eyeliner!

## The best way to conceal a zit is:

When covering a zit, never put your makeup brush directly on the zit because it can hold bacteria- so if you do and then use the brush on other parts of your face you can spread the bacteria. When I want to cover a zit, I put a little cover up on my finger and pat it gently on the problem area until it blends in.

MC PLAY PRESENTS

2015's

# Top 5 Females!

BY NEE-SA LOSSING, MC PLAY PROGRAMMER  
We're only halfway through 2015, but so many of our favorite artists have already dropped videos that we're obsessed with. Count down the hottest videos right now on the MC 10, Monday-Friday at 9 PM ET, only on Music Choice Play!

**Taylor Swift** "Style" – Taylor Swift has always been an MC Play fan-favorite, and 2015 has been no different. All of her 1989 singles "Shake It Off," "Blank Space," and "Style" made serious waves, so much so that she was named our first-ever MC Icon. Never underestimate the power of the Swfites!

**Ariana Grande** "One Last Time" – Ari faces the apocalypse, hand-in-hand with her beau, in her video for "One Last Time," but she's at the top of her game this year – nowhere close to the end for her. Plus, somehow she still manages to look amazing despite being surrounded by meteors crashing into the earth!

**Ellie Goulding** "Love Me Like You Do" – Ellie's voice is so versatile, which is what makes her one of the top artists of the year so far. She started off 2015 lending vocals to Calvin Harris's upbeat and fun song "Outside," starring in the video and showing off her amazing abs. Then she dropped another chart-topper, "Love Me Like You Do," which is a slow sweet song for a boyfriend or crush. Even though the two songs are so different, she clearly loves to sing about love!

**Meghan Trainor** "Dear Future Husband" – We caught up with Meghan at the very end of last year, where she told us all about choosing songs for her debut album, *Title*, and said that she hoped fans could relate to her catchy lyrics. She's definitely doing something right, because her colorful videos and message of girl power have made her unstoppable.

**Fifth Harmony** "Worth It" – The girls of 5H love showing off their individual style in their videos, and they pull out all the stops in "Worth It," where they go business-chic playing Wall Street execs. The business suits and pencil skirts are fun for a day of dress up, but their attention to the latest trends really puts them on top. We even got the group to take a very lucky Music Choice fan on a shopping spree in Miami – super jealous of all the style tips that Harmonizer got from 5H!
